residentialforms@energytrust.org

Need-to-know information:

- Windows must be installed by a contractor with an active license to be eligible for incentives.
- Window dimensions must be clear for incentive to be processed. If window is non-standard in shape, please indicate the shape of the window as well as all the dimensions.

- This form is used as an addendum to online, [Form 320C-WX](#) incentive applications only and will not be accepted alone. All information must be completed for processing; incomplete information will result in delayed payment of the incentive. Details of this program, including incentives, are subject to funding availability and may change.
- List all windows installed and write down window sizes to the nearest quarter of an inch.
- Please submit one item from each column below when applying for a window incentive:

Incentive Application	Window Size	Window U-Value	Invoice
<input type="checkbox"/> Online	<input type="checkbox"/> Invoice or packing list from manufacturer, distributor, retailer or contractor with dimensions for each window	<input type="checkbox"/> Copy of NFRC sticker for each window installed <input type="checkbox"/> Manufacturer's packing list with U-values for each window	<input type="checkbox"/> Purchase and installation invoice marked "Paid in Full"
<input type="checkbox"/> Form 320C-WX	<input type="checkbox"/> Windows Addendum
